Dear Parents & Guardians,

In recent years, as a society, we have become very aware of the problem of child abuse through neglect, emotional, physical or sexual abuse.

Each one of us has a duty to protect children and *Children First: National Guidance for the Protection and Welfare of Children* (2017) notes that teachers, who are the main caregivers to children outside of the family, are particularly well placed to observe and monitor children for signs of abuse.

In response to this, the Department of Education and Skills published *Child Protection Procedures for Primary and Post-Primary Schools* (2017) in relation to child protection and welfare. These procedures promote the safety and welfare of all children and are to be welcomed.

The Board of Management of Kildare Town Educate Together has adopted these procedures as school policy. **Consequently, if school staff suspect or are alerted to possible child abuse (neglect, emotional, physical and/ or sexual abuse) they are obliged to refer to the matter to Children and Family Service of the HSE.** The HSE will then assess the situation and provide support for the child concerned. In our school the Designated Liaison Person for dealing with Child Protection is Gerry Breslin. The Deputy Designated Liaison Person is Rachel Burke.

*Children First: National Guidelines for the Protection and Welfare* of children and the Department of Education and Skills *Child Protection Procedures for Primary and Post-Primary Schools* can be read on our website. Our safeguarding statement, notification of review and all other relevant documents can be read on <https://kildaretownet.ie/child-protection/>.

If you have any queries or questions, please don't hesitate to get in touch with me via the office.

Yours sincerely,

Gerry Breslin
